REPORTS

Treasurer

Circulated report. No questions asked.

Ladies Match Committee

In Midweek Pennant, City of Echuca played against the Bendigo East Bowls club in the Region Final of Midweek pennant, on Monday March 26th at Moama Bowls Club to decide who represents the BCBR in the State Pennant finals at Moama Bowls Club to be played on May 8th, 9th, 10th.

City of Echuca are to be congratulated on winning through to the State finals.

We wish them good bowling and good luck in the State finals.

Kind regards,

Joy McArthur.

Chairman.

CVBD Women's Match Committee.

Men's Match Committee:

April CVBD Men's Match Committee report to the General Meeting Thursday 19th.

The Weekend Pennant this season was unusual with 3 games cancelled due to the heat rule and 1 game washed out.

With proposed changes to the heat rule if accepted could make decisions easier for next season's Match Committee.

Where and what is the maximum recorded temperature needs much debate and thought.

The BOM readings at Deniliquin were not always accurate during the past season, but alternate sites may not be either.

Maximum temperatures need setting not only for Pennant but State games as well.

The Match Committee received negative reports on last season's draw compared to the previous season, and this requires clarification for the 2018-19 season.

Only 4 people were on the Match Committee during the past season, it would be an interesting position for someone who has time to learn what is involved.

The Match Committee would like to wish all clubs a happy and successful 2018-19.
Match Committee Chair Joe Murphy.
