**Umpires:** - Pat Sehestedt

The past month has been a busy one for accrediting new officials. On the 31<sup>st</sup> of August four new umpires completed their accreditation as National Umpires on behalf of Rich River Bowls club. A further member is part way through the training segments and a sixth was unwell but will be included in future sessions.

Deniliquin Bowls club on the 9<sup>th</sup> of September was the venue for completion of training and accreditation of four new National Umpires on that club's behalf. In addition a further member was assessed and accredited as a Measurer.

My thanks go to Ray Anderson, Deniliquin – also a member of the Divisional Umpiring committee – for hosting the sessions and also for the preparatory work he did with the Deniliquin members and his invaluable assistance on the day. Further thanks go to Des Sehestedt, a seasoned umpire, for his attendance at all sessions and his attention to detail in demonstrating and overseeing measuring components at both Rich River and Deniliquin. It would be impossible to deliver these results single handedly.

I bring to your attention a modification to the use of bowlers arms which comes in to effect in time for the 2018/19 pennant season.

It reads: The bowlers arm once used in a game **MUST** be used for the remainder of the game. This does not apply to the rolling of the jack, which can be rolled either by hand or by a bowlers arm.

There is no room for ambiguity in this rule – the first time the bowler uses their bowlers arm to deliver a BOWL they must deliver all other bowls using the arm until the completion of the game. It is important that Umpires, skips, committee members and especially bowlers using bowlers arms are familiar with this requirement to avoid embarrassment and possible conflict.

Mobile phones – in emergency inform the umpire, Manager. Know that penalties can apply for misuse of Mobile Phones. Should you have permission to use your phone and it rings, move away from play to take the call.

Pat Sehestedt

Chair: Divisional Umpiring committee
