The diagram illustrates four types of neutrinos, each represented by a set of three vertical bars. Each bar is divided into three segments: a top green segment, a middle white segment labeled ν 's, and a bottom colored segment. The colors of the bottom segments are yellow, blue, green, and purple, corresponding to the four neutrino types.

**** Please note:- this diagram is not to scale**

A diagram of a rectangular frame. The top horizontal bar is pink. The bottom-left corner is a yellow square. The bottom-right corner is a brown square. The text "v's" is centered inside the frame.
